RESPONSIBLE JEWELLERY COUNCIL POLICY

E. GOLDSTEIN DIAMONDS BV and its subsidiary GOLDSTEIN MANUFACTURING BV are respectively a diamond trading and a manufacturing company, located in Antwerp, Belgium.

Both Companies are Certified Members of the Responsible Jewellery Council (RJC). The RJC is a standards-setting organisation that has been established to advance responsible ethical, human rights, social and environmental practices throughout the diamond, gold and platinum group metals jewellery supply chain.

The RJC has developed a benchmark standard for the jewellery supply chain and credible mechanisms for verifying responsible business practices through third party auditing.

As Certified RJC Members, we commit to operating our business in accordance with the RJC Code of Practices. We commit to integrating ethical, human rights, social and environmental considerations into our day-to-day operations, business planning activities and decision-making processes.

BEST PRACTICE PRINCIPLES POLICY

E. GOLDSTEIN DIAMONDS BV and its subsidiary GOLDSTEIN MANUFACTURING BV are respectively a diamond trading and a manufacturing company, located in Antwerp, Belgium. This policy underlines our commitment to De Beers' Best Principles Practices (BPP).

The BPP is a code of ethics and a set of standards, continuously monitored to protect diamond equity. Key aspects include adherence to the Kimberley Process, compliance with AML, CFT and other financial legislation, full adherence to local employment laws and health & safety regulations, zero tolerance of child labour, forced labour and human rights abuses, best environmental practice and adherence to product integrity standards.

The BPP has developed a credible mechanism for verifying responsible business practices through third party auditing.

As adherents to the BPP standards, we commit to operate our business in accordance with the BPP regulations. We commit to integrate ethical, human rights, social and environmental considerations into our day-to-day operations, business planning activities and decision-making processes.

We invite all our visitors, business partners and stakeholders to join us in upholding all the BPP standards to help us protect the overall diamond equity.
