

E. GOLDSTEIN DIAMONDS BV Supply Chain Due Diligence Report

Preamble:

E. GOLDSTEIN DIAMONDS BV has aligned its Supply Chain Due Diligence communication and reporting on RJC's Guidance for this subject. As a result, this document recaps the reporting requirements for Tier 2 and downstream companies (E. GOLDSTEIN DIAMONDS BV's position in the diamond supply chain).

Reporting:

1. Management Systems:

E. GOLDSTEIN DIAMONDS BV has created a Supply Chain Policy document which has been sent to all its suppliers. The Management responsibility for the due diligence programme has been assigned to E. GOLDSTEIN DIAMONDS BV's General Manager, and adequate record-keeping systems and processes for information collection have been installed as per the Company's procedures for this subject.

2. Risk Assessment:

To comply with its Supply Chain Due Diligence obligations, E. GOLDSTEIN DIAMONDS BV has engaged with all its suppliers by sending them its Supply Chain Policy and a Due Diligence Questionnaire, both accompanied by an explanatory letter on its Supply Chain Due Diligence and the Company's obligations in this respect. To date, the majority of suppliers have sent this questionnaire back, and the Company strives for 100% completion of supplier-response.

To date, no risks (neither actual or potential) have been identified, but the Company will continue to check supplier's information (whether in a formal or in an informal way) to maintain compliance.

Response:

To date, no specific risks have been identified in our supply chain, as such, no specific extra steps have been undertaken by the Company to manage risks, to monitor and track performance of risk mitigation or to follow up any specific risk-areas.

Antwerp, March 15th 2024

Lionel Goldstein,
Managing Director E. GOLDSTEIN DIAMONDS BV
